Interview Questions & Success Factors

Each question number is followed by the name of the Panel Member asking the question, and the success factor targeted by the question (shown in brackets).

Refer to the Position Job Description for a list of success factors for this position, and [IV-ALL-2520-R. Interview Questions](#) for example interview questions categorized by success factors.

1. John Doe (Relevant experience)

Q: I believe you have a general sense of what this position is all about. In 5 minutes or less, please provide us with a plain English (non-technical) elevator pitch of why your experience is ideal for this position and why your background is a match?

(PANEL MEMBERS: Ask questions about experience and specific technical competencies.)

A:

2. Mary Jayne (Initiative)

Q: Would you provide me with two examples of things you've done in your last position that demonstrate your willingness to work hard?
