

ABOUT US

Established in 2004, we create and sell HR toolkits for small business.

We are passionate, feisty, creative, and love to laugh! But we work hard with laser focus because we're intrinsically motivated to execute and drive results.

We're growing and need to bring HR on board to help implement programs that help attract and retain the best.

- ≠ 'Thou shalt' policy driver? (No thanks.)
- ≠ Your claim to fame is planning social events? (Maybe next time)
- ≠ The last time you laughed out loud was 1983? (We're not your people)
- ≠ Debate and thinking outside of the box make you itchy? (No need to apply)

- ≠ This ad offends you? (Further proof that we're probably not your people.)
