7. Change the information in the footer. It's important that the contract shows the total number of pages.

Independent Contractor Agreement – <Contractor Name and their company name if applicable> and <Company Name>

<Page # of #>

8. Save the agreement.
9. If you create multiple versions of a contract, save each version with the revision date at the end of the file name. This ensures you can review the document history at any time. File all previous versions of the file in the WIP folder.
10. If the agreement needs to be reviewed prior to signing, send the reviewer an email. This email may include the following content:

- Kindly review draft insert document revision # of contractor name's Independent Contractor Agreement.
- If you would like to make edits or insert comments, please do not override the current document. Save a new copy of the file and add your initials at the end of the file name. For example: 2017-02-27-Jane-Doe-Contractor-Agreement-Draft-Feb05-PJ
- Kindly turn on the Tracking functionality in Word so that I can review your changes to ensure that they do not modify the legalese. (**Review** tab > **Track Changes**)
- By insert date, please reply to this email and provide me with confirmation to proceed with the agreement, or attach your edited file.

11. If the Reviewer makes edits:

- a. Save their document and add your initials at the end of the file name after the editor initials.

For example: 2017-02-27-Jane-Doe-Contractor-Agreement-Draft-Feb05-PJ-Feb06-AL

- b. Review the Reviewer's changes. Accept or reject their changes or discuss the changes with them if you don't agree or have other suggestions.

**** Remember, it's your responsibility to ensure that the agreement is contractually sound and that it reflects HR best practices. Your role is to provide HR expertise. If you feel the Reviewer is insisting on making changes that you don't agree with from an HR best practices perspective, talk to your manager.**

12. You may create several versions of the document until a final contract is created. Keep any revisions or agreement versions in the WIP folder within the employee folder.
13. Save the final agreement and remove all revisions extensions. The final file name should look like this: *ContractorStartDate>-<ContractorFirstName-LastName>-Independent-Contractor-Agreement*

For example: 2017-02-27-Jane-Doe-Independent-Contractor-Agreement
